

## Le Fonti a San Giorgio 2016 Chianti Riserva I Fossili Montespertoli

Montespertoli, Tuscany

Red wine from Italy

Drinking window: 2021 - 2036

The 2016 Chianti Riserva I Fossili Montespertoli is another gorgeous wine from Le Fonti a San Giorgio. Succulent dark cherry, lavender, mint, spice, leather and savory herbs all run through this bold, racy Riserva. The 2016 offers striking inner perfume and more than enough structure to drink well for many years to come.
